### *Five stars* ASSET MANAGER

ODDO BHF Asset Management ranks in the top ten asset managers in Germany according to CAPITAL FONDS-KOMPASS 2022

ODDO BHF Asset Management has been awarded the highest five-star rating in the “Capital Fonds-Kompass” 2022, making it one of the 10 best asset managers in Germany. The company ranks 8 out of 50 in its category (asset managers with at least 31 funds). Decisive for the success is the high-quality fund range, the top-notch service quality, and the stable and experienced investment management teams.

The financial and business magazine Capital determines the best asset managers in cooperation with the rating agency Scope Analysis and the consulting firm Tetralog Systems. The analysis, which covers a total of 4578 individual funds from 100 companies, is being carried out for the 20th year. The five-star asset managers offer a comprehensive range of funds with above-average long-term performance. For the evaluation of the most important criterion i.e., fund quality, the performance over one, three and five years is considered. The ranking parameters include performance, volatility, maximum drawdowns, and the assessment of the ability to outperform competitors in the future.

Nicolas Chaput, CEO of ODDO BHF Asset Management: “We are pleased with the recognition of our efforts to provide our German clients with high-quality investment solutions. This distinction rewards the development of a sustainable, innovative, and performing fund range across all asset classes with a top-notch quality of service for the benefit of our clients.”
